Prayer by Bishop Gavin Collins

Dear Lord,

We thank you for all those called and elected to serve as Members of Parliament and for those who will form our new Government. We pray that you will give them your wisdom, compassion and integrity as they give themselves in service of our communities. May they and their families be strengthened, blessed and guarded by you.

We pray for those who have not been elected, and especially those MPs who have lost their seats and their staff members who have lost their jobs. May you give them peace in this time of adjustment, and guide and provide for them as they look to the next stage of their life and work.

Above all, we give you thanks that we live in a democratic country where power can be transferred peacefully. We pray for those parts of the world where this is not the case, asking that your justice and peace would reign. We pray also for the many other countries facing elections this year: may the voting process build and strengthen communities and community life across the world.

Amen.
