NEXT TRINITY TALK

The deeper you dig the more you find

Project manager Richard Oxley's talk reviews the re-ordering works recently carried out at Holy Trinity Church from a personal perspective. He has been involved with the church, as Church Surveyor, since 2009.

His work encompasses a wide range of building types, from ancient ruins, historic timber-framed buildings, castles, and windmills through to small cottages - some of which are still standing!

The talks are held at Bel and The Dragon in Cookham High Street on the third Monday of the month.

Everyone is welcome, but capacity is limited, so please check in advance. When reserving your place at £20 each by email (preferably) stephaniediggon@hotmail.com or phone on 01628 527465, please let me know of any food allergies. Pay cash on arrival from 6.30pm (for Prosecco and canapés). Talks start at 7pm and finish around 8pm.
